

Greek Island Tours

Greek Island Tours®, a division of Ulysses Tours, offers you the following island combinations of "Distinguished Holiday vacations" for your honeymoon, anniversary, or breathtaking island escape.

Two and three island combinations have been designed with you in mind...

The glorious islands...

Imagine yourself on a deserted, white sand beach. Above is a cloudless sky. The sun pours health over you. A glittering, impossibly clear sea washes the beach smooth. There's no train to catch. And tomorrow will be the same. Utopia? No, you're in Greece. It's summer and you're on holiday. And if you think that's an impossible dream, think again. It's the easiest thing in the world to enjoy the friendliest place on earth.
